

NEW AFTER-SCHOOL  
PROGRAM AT  
Fairview  
Elementary!

# Zaniac™

## Engineering (Robotics & Circuits)

At the invitation of Principal Dr. Angie Jackson, Zaniac Asheville is offering its engaging technology curriculum directly to students at Fairview Elementary School! This eight-week program begins **Thursday, January 31st** after school at Fairview Elementary!

Students learn the basics of robotics, the scientific method, forces, and design through exploring scientific and engineering concepts. Build and program robotic solutions to defined projects. In circuits, students use littleBits and Snap circuits to learn about basic inputs, outputs, analogs, electricity, and more!

### Robotics & Circuits

- Interactive hands-on activities
- Fosters critical thinking and teamwork
- Learn real-world engineering skills
- No prior experience necessary

### Course Details:

- Engineering (Robotics & Circuits): Grades 1-5
- Classes meet 2:35 p.m. to 3:35 p.m. every Thursday
- Classes meet: January 31, February 7, 14, 21, 28 and March 7, 14, 21
- Price: \$199
- Classes meet conveniently at Fairview Elementary upstairs in the 2nd grade classroom
- Personal progress emails after every class

**CLASSES BEGIN  
JANUARY 31ST!**

**Sign up by January 30th at [ZaniacLearning.com/Asheville](https://ZaniacLearning.com/Asheville)**  
**Click Enroll and Sign Up under Campus Events. Classes begin January 31st!**
