

NEW AFTER-SCHOOL
PROGRAM AT
Fletcher
Elementary

Zaniac Coding with Scratch

An introduction to Computer Programming

At the invitation of Principal Mrs. Jennifer Shelton, Zaniac Asheville is offering its engaging technology curriculum directly to students at Fletcher Elementary School! This eight-week program **begins Monday, January 28th** after school at Fletcher Elementary!

In Computer Programming, students work with Zaniac instructors to solve computing problems and learn real-world skills software developers use every day. Go from true beginner to writing custom animations and videos in Scratch, all while having a blast along the way. Coding has never been more cool!

Coding with Scratch

- Learn concepts such as sequences, loops, iterative development, and debugging
- Create animations and videos to share with friends and family
- No prior experience necessary
- Modern, block-based approach

Course Details:

- Coding with Scratch: Grades 1-5
- Classes meet 3pm - 4pm every Monday
- Classes meet: Jan. 28, Feb. 4, 11, (not 18), 25, Mar. 4, 11, (not 18), 25, April 1
- Classes conveniently meet at Fletcher Elementary in the Computer Lab
- Price: \$199
- Personal progress emails after every class
