

STEAM

zaniac
K-8 STEAM After-School Programs & Camps

We are now booking STEAM Workshops for your school—at your school!

Trained Zaniac instructors will come to your school so your students can experience a Zaniac Workshop without having to leave school.

Scientists

Forces & Motion ▪ Matter ▪ Energy
Earth Systems ▪ Living Organisms

Coders

Choose your hour of code!
Scratch ▪ Java ▪ Python

Engineers

Simple Machines ▪ Electronics
Robotics

Workshop Costs:

\$175 for the first one-hour class workshop, \$150 for each additional one-hour workshop on the same day.

Field Trips Available:

Zaniac also offers STEAM Field Trips to our Zaniac Learning Center in Biltmore Park Town Square as well as After-School STEAM Programs at your school. Call or email to book!

- K-8 grade students gain STEAM Skills
- Have a blast with Zaniac's curriculum based and interactive STEAM Programs in your classroom.
- We customize our programs to fit your schedule, curriculum needs & teaching objectives for seamless integration of STEAM instruction at your school!
- Workshops meet North Carolina Essential Standards.
