Zaniac Camps & Events

Zaniac Camps

School Closure Day Camps

Early Release Days • Snow Days • Teacher Work Days
Fall, Winter & Spring Break Camps

We track most Jersey City & Hoboken area school calendars!

Full & Half Day Camp Options: Check our website for schedule & pricing.

Summer Camps

Zaniac Summer Camps are ideal for your curious child. Go on a Science, Technology, Engineering, Art & Math Adventure with us! Each camp is tailored to your child's needs. Small camp sizes ensure personalized attention. Our instructors are fully-trained and vetted role models who love working with kids and technology. Camps are grouped and focused for your child's age and skills.

Full & Half Day Weeklong Camp Options:
Check our website for schedule & pricing

Weekends at Zaniac

Saturday Kids Club

Make new friends and have a blast with our signature STEAM Programs! Themes change monthly. Offered select Saturdays.
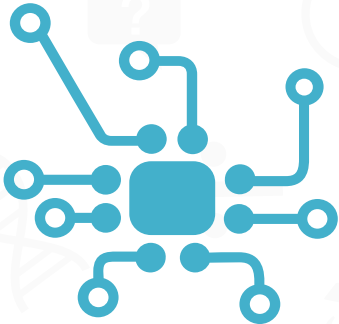

Kids Night Out

Your kids can explore themed STEAM activities while you enjoy an evening off.

Zaniac Parties

Enjoy exclusive access to Zaniac for Birthday Parties, School Class Parties or a STEAM-based celebration with friends. Call for available party days & times.

K-8 STEAM After-School Programs & Camps

**Science • Technology
Engineering • Art • Math**

Zaniac offers year-round Science, Technology, Engineering, Art & Math academic enrichment and tutoring for PreK-8 students. Discover how much fun S.T.E.A.M. learning can be!

After-School Classes:

Gain an academic advantage and learn 21st century skills. Join us for full semester courses or single 6-week programs designed to fit your schedule. *Classes meet Mon through Fri at 4 p.m. & 5:15 p.m. and on Saturdays.*

Memberships:

Experience ongoing academic enrichment, homework help, smart after-school care and additional member benefits and savings with our **Edison Club**.

Campus Events:

Kids Night Out, Saturday Kids Club, Birthday Parties & Special Events.

Camps:

Half-Day, Single-Day, and Week-Long Camps available during school closures, and Week-Long Camps all summer! Plus, Snow Day Camps!

Experience the Zaniac difference:

Vetted role model instructors. Small camp & class sizes. Personalized attention. Regular feedback and progress reports. A safe and fun community in a state-of-the-art technology environment.

Partnerships:

Zaniac also partners with schools & organizations to bring its award-winning STEAM programs and activities to schools, libraries and community centers.

Let your child's imagination run wild at Zaniac!

Academic Enrichment & Tutoring
Build confidence and academic advantage! Zaniac offers a variety of enrichment programs, tutoring in core subjects and homework help.

Game-Based Learning
We use Game-Based Learning methodology with Minecraft and Kerbal Space Program to teach real world math, science & technology skills.

Gain an academic edge & 21st century technology skills!

Engineering
A powerful way to inspire kids' interest and understanding of engineering through interactive exploration and innovation.

Art & Design
Discover the "A" in STEAM, Art! Kids are immersed in the engineering and design process through hands-on engaging projects that range from fashion or 3D design and audio engineering.

Computer Programming
Kids learn coding and critical thinking skills that software developers use every day. Go from true beginner to writing custom programs and games in Java or Python.
