

Camp Descriptions

Tech Design

Students are immersed in the engineering and design process while creating 3D prints, architectural design, musical compositions, and even their own fashion designs. Students are guided as they create their own originally designed projects using our cutting edge technology tools such as TinkerCad, PrintStudio, Inkscape, Minecraft, GarageBand and Scratch.

Exploring Electronics

Students learn the basics of coding, circuits, microcontrollers, physics, and math concepts while being engaged with our Game-Based Learning techniques. In Exploring Electronics we use tools such as Scratch, Java, Python, Minecraft, littleBits, Arduino, LEGOs, and more.

Engineering & Robotics

Our engineering and robotics camps provide a powerful way to inspire students' interest and understanding of engineering through hands-on exploration and innovation. This camp focuses on design and creation with unique and engaging tinkering activities. We use tools such as LEGOs, LEGO Mindstorms EV3, Dash and Dot robots littleBits and Minecraft!

Now including our all new Drones!!

2018-2019 Camp Calendar

Camp Hours

Full-Day	9 a.m. - 4 p.m.
Half-Day AM	9 a.m. - 12 p.m.
Half-Day PM	1 p.m. - 4 p.m.
FREE early drop-off and extended pick-up	

Camp Pricing

Full-Week Full-Day Tech Camp - \$349
Half-Day (AM or PM) - \$189
Call for Single Day pricing and availability!

Campus Hours

Mon - Fri	9 a.m. - 7 p.m.
Sat	10 a.m. - 1 p.m.
Sun	Open for Birthdays/Events
