## STEM Socials

**STEM Socials at Zaniac are fun and inspiring!**

### Flexible Technology Workshops

With Daily Drop Off Options

STEM Socials at Zaniac are flexible technology workshops that offer an exciting educational drop in option for kids ages 4-15.

Children will work and play together with Zaniac's engaging instructors on unique STEM programs. Kids can create a biome in Minecraft, program a robot, build a website, mix a loop with GarageBand, strategize in chess, create new looks with fashion design, or build a video game with Scratch.

Drop into a variety of classes offered daily at the campus.

**Who says you can't learn while you play?** Schedule your next STEM Social at Zaniac!

**Call 424.330.0008 to schedule!**
