

Parents' Night Out

Parents' Night Out is a great way for kids to enjoy STEAM activities while you have a relaxing night on the town!

Drop your kids off at Zaniac where they will have fun exploring, building, creating and playing while learning math, science and engineering concepts. Our engaging instructors will be on hand to help your child while you enjoy an evening out.

Biomedical Electronics

June 24th

Learn about the anatomy of the hand by building a robotic hand in Tinkering and learning to build circuits in Minecraft.

Back to School Edition

August 19th

Shake off the summer blues with an energizing evening of cool Math games, playing Chess and participating in our Robot Soccer Championship.

Halloween Night

October 28th

Join us for a night of spooky science activities! Make magical floating lights and explore Hogwarts School of Witchcraft and Wizardry in Minecraft. Come dressed in your best costume to receive a prize.

Let it Snow!

December 16th

It may not snow in Miami but at Zaniac we'll make it snow! Learn the science behind ice and snow with Frozen Playactivities. We'll also create wonderful holiday light decorations and code a holiday e-card on Scratch.

Details:

- For kids in grades K-8
- 6:00pm - 10:00pm
- Pizza dinner and drinks are provided
- Price: \$35 per child
- Edison Club Members: One Parents' Night Out per month is included with your membership
- Reservations required
- Space is limited enroll today

Magnet Magic

July 29th

Explore Magnetism by crafting a magnet train, making magnetic slime and defying gravity by floating paper clips.

Science of Nature

September 23rd

A night of myth busting experiments that test the science of natural phenomena! Recreate a tornado in a jar and explore the science behind quicksand.

Brain Break

November 18th

Engage in fun challenges aimed at stimulating the brain like building the tallest Q-tip tower, creating a Minecraft Chessboard and competing in Zaniac's Robot Race Series.
