

Birthday parties at Zaniac are Fun, Inspiring & Memorable!

Celebrate your child's birthday party in our state-of-the-art campus where they will be able to experience cutting edge technology and get exclusive access to the coolest 21st century playroom.

Children will play and have fun with our talented instructors who will customize and plan a special day for your child and his/her friends.

Zaniac engages, excites and motivates children to explore, socialize and have fun. We will make your party unique and unforgettable and our party host will assist you every step of the way to help plan a memorable celebration.

Call our campus for more information, date availability and to receive our party reservation form.

Book Your Celebration Today!

Birthday Celebrations at Zaniac are original, creative & STEAM-focused!

Birthday Packages

STEAM

Our most complete package including three Zaniac programs. All you have to do is show up.

Einstein

A fun-packed STEAM birthday. Choose two Zaniac programs.

Light Bulb

A celebration perfect for smaller groups. Choose one Zaniac program.

Party Add-Ons

Magic Shows & Balloon Twisting:

We offer other fun services such as balloon twisting and magic shows to complement your birthday party and add some magic and comedy to your STEAM celebration.

Party Favors:

Let us take care of all of your party needs. Zaniac Party favors come in three different options that include treats and cool Zaniac branded merchandise.

Catering and photography services available upon request.

Zaniac™

Birthday Parties

A Celebration for 21st Century Children

Zaniac Birthday Party Activities

Game-Based Learning

Minecraft

Zaniac Instructors lead participants through Minecraft Challenges in a fun environment. Choose one of the programs below:

Minecraft Exploration

Minecraft Galaxy

Minecraft Architectural Design

Engineering

Robotics

Zaniac Instructors lead participants in activities using LEGO EV3 Robotics systems to play soccer and battle bots.

Tinkering

This is the perfect option for little makers. Instructors will assist in activities using littleBits™, LEGO or recyclable materials to create one of kind electronic prototypes like paper circuits, electronic butterflies, remote control cars or tell us your theme and we'll come up with an activity .

These are a perfect choice for learners of all ages or for a computer-free party.

Art & Design

GarageBand®

Zaniac Instructors lead participants into the world of music production. All participants will get hands-on experience with real-world music production equipment and bring their song ideas to life.

Fashion Design

Zaniac Instructors will help the girls construct their own personalized Mood-Board and work hands-on with their charts and Inkscape to create their own designs.

Activity Add-Ons

Balloon Twisting

Our artists create amazing beautiful designs of animals, characters, princesses, bows and arrows, wands, jetpacks and wings and much more.

Magician

We offer an amazing magic show for ages 3 to adult with lots of comedy, magic and illusion.

All these activities are always available as after-school programs or during seasonal and summer camps
