Zaniac offers fun year-round Science, Technology, Engineering, Art & Math (STEAM) programs for kids that feel like play. Ignite your child's love of learning and build confidence to succeed in school!

Classes. Discovery, learning fun, fun & more fun.

Our semester long mastery progressions teach children STEAM skills through a custom curriculum that builds their skills from beginner to advanced. After-school classes meet for one 90-minute class per week Monday to Saturday.

After-School Care. Edison Club, the best value!

An enriching and cost effective after-school care program that includes our STEAM programs, homework help, transportation and more.

School Break Camps. When schools close, Zaniac opens!

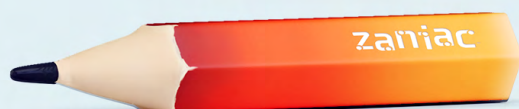

Early release? Holidays? Teacher's Work Day? Fall, winter, spring and summer break camps? We got you covered all year round with week long or single-day camps.

Events. Kids have a blast. You get a break.

Minecraft Game Night, Private Events and Birthday Parties!

School & Community Partnerships. We go to you!
