Salt Lake City, UT 84106

* On Thursday July 24th, campers will start the day at Zaniac and get picked up from Fairmont Aquatic Center. This schedule is for Thursday only!

\$350 for 5 full days of camp

Days begin with an hour of gymnastics taught by Galaxy Gymnastics' talented coaches before campers change into their swim wear for a dunk in the Fairmont pool. After drying off, they will eat a **bag lunch brought from home** and enjoy supervised free play at Fairmont Park until 12:45pm.

Campers then walk with an instructor from the park to Zaniac Sugar House, where they spend the afternoon in STEM Exploration — learning about science concepts like physics and gravity while engaging in hands-on activities. Whether **engineering LEGO robots**, learning **computer programming** concepts, building **simple-machine rockets**, or completing **chess challenges**, this fun and engaging summer camp has activities for everyone!
