

# Zaniac STEM Programs at Sylvan

K-8 Science, Technology, Engineering, & Math courses beginning July 7th!

## Zaniac makes learning fun!

Zaniac STEM (Science, Technology, Engineering, & Math) Programs make **real math and technology learning fun**. Zaniac is the go-to after-school activity for parents who want their children to **develop a passion for exploring and innovating**. Visit us on the web at [www.ZaniacLearning.com/BeverlyHills](http://www.ZaniacLearning.com/BeverlyHills) to learn more.

## Programs

**Minecraft Exploration** • Jul 7-12, Jul 20-25, & Jul 27-Aug 1 • \$229

Minecraft can help your kids get excited to learn more about math and science! Explore biomes, basic physics, and more in this fun-filled program. Students work as teams on a safe educational server hosted by Zaniac. 6-day camps run from 1:30pm-3:00pm, for a **special Grand Opening tuition price** of \$229!

**Computer Programming** • Jul 12-Aug 16 • \$299

It's never too early to start computer programming! Kids learn real programming techniques while having fun by making games and videos using Scratch, a block-based programming approach developed at MIT. 6-week course meets weekly on Saturdays from 1:30pm-3:00pm, for a **special Grand Opening tuition price** of \$299!

**LEGO Robotics** • Jul 13-18, Jul 20-25, & Jul 27-Aug 1 • \$329

Kids have a blast learning everything from the scientific method, to mechanics and physics principles, to innovation and design. LEGO Robotics is perfect for kids who like to tinker and work with their hands — tomorrow's engineers. 6-day camps run from 1:30pm-3:00pm, for a **special Grand Opening tuition price** of \$329!

**Call 310.843.0111 to enroll.**
