About the Schedule

Zaniac's academic and STEAM-enrichment Programs meet after school once per week for six consecutive weeks. All classes are 90 minutes and start at the same time every week. Your child can begin a Program most weeks during the school year.
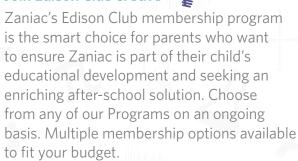

If you don't see a STEAM Program that works with your schedule, please call and we can discuss a custom schedule for your child.

When School is Closed, Zaniac is Open!

Zaniac is open all day during most school breaks Fall/Winter/Spring/Summer as well as Teacher Work Days, and Early Release Days. *See our Campus Calendar for details.*
