

Birthday parties at Zaniac are Fun, Inspiring & Memorable!

Celebrate your child's birthday party in our state-of-the-art campus where they will be able to experience cutting edge technology and get exclusive access to the coolest 21st century playroom.

Children will play and have fun with our talented instructors who will customize and plan a special day for your child and his/her friends.

Zaniac engages, excites and motivates children to explore, socialize and have fun. We will make your party unique and unforgettable and our campus manager will assist you every step of the way to help plan a memorable celebration.

Call our campus for more information, date availability and to receive our party reservation form.

Birthday Parties

Zaniac™

K-8 STEAM After-School Programs & Camps

Zaniac Birthday Party Themes

Expand your world in Minecraft!

Expand your world in Minecraft! Make and race rollercoasters, complete an Everest challenge, and build together in the same world!

Building Engineers!

Develop engineering skills to build and launch catapults! Use Mindstorm EV3 Robot units and program your robot to complete an obstacle course.

Blast Off to Space!

Explore the solar system and the International Space Station in Minecraft Galaxy! Plus, perfect the art of building rockets with our Kerbal Space Program.

Create your own Fashion Design collection!

Zaniac Instructors will help the kids to construct their own personalized Mood-Board. The Mood-board will be divided into 3 sections: 1- A brief history of fashion, speak about current fashion designers, showm currents styles and speak about the InkScape tool. The kids will work hands on with their charts, using magazines, cut outs and materials to design. Create their own line, using stencils, fabric, ribbons etc.

City of Zaniac

Building/Minecraft birthday party which is entirely based on an Architectural Theme. Each child will be given a 3Duxdesign kit. Kids will be asked to plan and build the “City of Zaniac” using 3D printed additive technology, cardboard shapes and repurposed cardboard boxes. In a fun and educational way, kids will discuss city planning, how to solve today’s environmental issues using not only cardboard forms but also technology for the study of geometry. Kids will have fun replicating their “City of Zaniac”!

(Additional Cost of \$15.00/participant)

All these activities are always available as after-school programs or during seasonal and summer camps
